## Agency response

The City of Osage Beach has seen many changes from its rural beginnings to its present year round "Heart of the Lake of the Ozarks" ever rising tourism population and home of the region's largest factory outlet shopping mall. While the 2000 census estimate of the city's resident population is at 3,662, it is estimated that in excess of 100,000 people are present in the area during peak seasonal periods.
